Abstract. The publication describes the history of the formation of the Department/Laboratory of Herpetology in the Zoological Institute of Russian Academy of Sciences and previously unknown facts of the biography of its staff. An overview of the events dedicated to the celebration of the centenary anniversary of the establishment of the Department is given.

Keywords: history of science, herpetology, Zoological Institute of Russian Academy of Sciences

Acknowledgments: The study was carried out in the framework of the State Theme of the Zoological Institute, Russian Academy of Sciences (No. AAAA-A19-119020590095-9).
